Dear Gina,

I am writing to enlist your support as we launch the LIVE DRUG FREE VIRGINIA license plate campaign. SpiritWorks Foundation developed the license plate to bring attention and awareness to the dangers of substance misuse and the importance of living drug free.

The license plate is being pre-sold by SpiritWorks Foundation for the standard special interest plate rate of \$25. Application forms are available through the SpiritWorks Foundation Web site, [www.spiritworksfoundation.org](http://www.spiritworksfoundation.org) or by calling (757) 564-0001. Applications must be filled out completely and returned to SpiritWorks. A minimum of 350 prepaid applications are needed by January 1, 2008 in order to present the formal request to a member of the General Assembly for sponsorship. Please send your completed application and \$25 check or money order to SpiritWorks by December 21, 2007.

SpiritWorks' vision is to have all drivers on Virginia roads consciously aware of the importance of drug free living. Our goal is to have a minimum of 10,000 LIVE DRUG FREE license plates issued and on Virginia roads by 2010.

Thanks for your support in raising awareness for a DRUG FREE Virginia.

Peace,
