## The Historic Triangle Substance Abuse Coalition Open House

The Historic Triangle Substance Abuse Coalition (HTSAC) invites the community to an open house on Friday, November 5<sup>th</sup> from 10:00 am – 2:00 pm at 161-A John Jefferson Square in the Bush Corporate Center.

Over the last four years, HTSAC operated out of Bacon Street. Due to space limitations from an increase in staff and resources, HTSAC was pressed to relocate. “This move is an exciting time for HTSAC. We are able to expand our services to the community, including access to a Community Resource Room that offers resources on substance abuse treatment and prevention.” says Gina de Peralta Thorne, Coordinator for HTSAC.

HTSAC is a non-partisan organization, instrumental in bridging relationships with substance abuse providers in order to offer prevention and treatment services to the community. HTSAC collaborates in building, integrating and sustaining a comprehensive system that strives to eliminate substance abuse. If you are interested in becoming a member of HTSAC contact us at 476-5070 or visit our website at [www.htsac.org](http://www.htsac.org).
